

Chirag Pithadiya

Web & UI UX Designer

chigspithadiya@gmail.com | <https://chigspithadiya.github.io/>

Anand, Gujarat, 388345, India | +919924240975

I'm a UX/UI Designer, design thinker, Web designer, experience strategist & human-loving introvert. Skilled in XD, Figma, Bootstrap, Cascading Style Sheets (CSS), Adobe Photoshop, Illustrator, and JavaScript. Strong information technology professional. I believe that human-centered design creates meaningful products and services.

Work Experience

Web & UI/UX Designer

May 2023 - Present

[Nosnia Tech Pvt Ltm.](#) | Ahmedabad

A seasoned UI/UX designer with over 4 years of experience, adept at creating intuitive user interfaces and engaging user experiences. Proficient in design tools, user research, and implementing design systems to enhance usability and functionality across diverse projects.

UI/UX Designer

Apr 2022 - Apr 2023

[Buildformula by Vshwan](#) | Ahmedabad

Experienced UI/UX Designer creating design systems, following UI/UX rules, and developing high and low-fidelity wireframes. Collaborates with development teams, gathering feedback, and sharing designs in Figma, ensuring seamless development and design integration.

Web & UI/UX Designer

Jan 2021 - Mar 2022

[Universal Software](#) | Ahmedabad

Evolving Web & UI/UX Designer with a strong foundation in web design, now venturing into UI/UX with Adobe XD, wireframing, and skeleton screens. Developed mobile-friendly and web-friendly designs, continuously updating knowledge and skills in UI/UX design principles.

Web Designer

Jul 2020 - Nov 2020

[Webtech Evolution](#) | Ahmedabad

Experienced Web Designer with 1+ year of technical knowledge in WordPress plugin development, Bootstrap, Tailwind CSS, CSS3, and PSD to HTML conversion. Skilled in responsive design, with expertise in creating visually appealing and user-friendly websites.

Web Designer

Mar 2020 - Jun 2020

[Cypherox Technologies Pvt. Ltd. Rajkot](#) | Rajkot

Skilled in website design, newsletter design, and PSD to HTML/CSS/Bootstrap conversion. Proficient in WordPress and Magento theme design. Effective communicator with 6 months of experience in UI/UX, responsive design, and cross-browser compatibility.

Skilled in website and newsletter design, PSD to HTML/CSS/Bootstrap conversion, and basic WordPress/Magento theme design. Proficient in HTML, CSS, JavaScript pixel-perfect design, and identifying/fixing website issues. Collaborated with programmers, continuously learning and growing as a web designer.

Projects

Jain Connection

Jan 2021 - Mar 2022

JainConnection, available on App Store and Play Store, is a global platform catering to the Jain community's spiritual and cultural needs. It offers resources on Jain teachings, rituals, and community connections, fostering a vibrant global Jain community network.

buildformula

Apr 2022 - Apr 2023

BuildFormula.com is a web platform designed to provide valuable insights and resources for entrepreneurs and businesses looking to scale their operations efficiently. It offers practical strategies, tools, and guidance to streamline growth and achieve sustainable success in competitive markets.

Anantya.AI

May 2023 - Present

As a UI/UX and Product Designer, I contributed to the development of Anantya.ai, a conversational engagement platform for businesses. I designed a seamless user experience, integrating WhatsApp marketing, support, commerce, and authentication features, ensuring a secure and stable platform for businesses to thrive.
